

ALEX OTTO

ARCHITECTURAL ASSOCIATE

PROFILE

Graduating from the College of Architecture and Design at Kansas State University in 2015 Alex brings 8 years of architectural experience to the team. Alex joined studioNorth in 2018 and helped modernize the construction documentation process by implementing the use of Autodesk Revit.

Utilizing his experience as a building information modeling (BIM) coordinator he was able to create new efficiencies and methodologies that allowed the studioNorth team to model and document over 28 self-storage facilities and over 40 warehouses. Prior to his time at studioNorth he specialized in collegiate sports stadium design which helped him quickly adapt to the scale of industrial design.
